COLLEGE**

# WELCOME TO THE ILET SUMMIT

---

Let me be the first to invite you to join us in May for the 5th Annual ILET Summit, being brought to you, for the first time, live and in-person.

First, I would like to extend our most sincere gratitude to Broward College for hosting the 2025 International Law Enforcement Training (ILET) Summit. Without their unwavering support, events like this would not be possible.

I would also like to thank the local volunteers, ILET Founding Members, and our domestic and international speakers for taking the time to share their thoughts, knowledge, experience, and expertise during this one-of-a-kind training event.

When you come to an ILET Event, you can expect to be pushed into the proverbial deep end. You will expand your own understanding of what is currently possible. You will be encouraged to rethink and relearn operational and training standards, utilizing both industry best practices and evidence based training methodologies.

What makes ILET unique is the unfettered access to world-leading experts during the entirety of the conference. We host dedicated "Instructor Hours" daily, allowing you one-on-one time to ask questions and get answers. Whether its personal or organizational support, ILET speakers and SMEs will be there to help.

In keeping with the core mission and vision of the ILET Network, we will also be including a Networking/Social evening during the event to promote inter-agency cooperation and support... believe me, you won't want to miss it.

Lastly, you can expect multiple tracks to accommodate your individual interests and training needs. From our Live Firearms Range to Leadership Workshops, Wellness Program Integration to TACMED, the ILET Summit will have something for you.

Looking forward to seeing you in Florida!

Stay safe.

Adam Kinakin  
Founder & CEO - ILET Network
