This letter is to request approval to attend the online 2022 International Law Enforcement Training Summit, December 5-9, via the ILET Network website. The ILET Summit is the largest free, on-line training event each year and includes thousands of officers from over 100 countries around the world.

The core of the summit is actionable, relevant training sessions that are developed for immediate implementation in operational environments. They are structured to deliver accurate, defensible information that is free to be used by attendees and their agencies or organizations.

ILET showcases international experts, renowned keynote speakers, networking opportunities, and direct access to some of the most influential thought leaders in the public safety industry. This year's event features learning tracks in Patrol Tactics and Operations, Training Development, Leadership and Command, Jail and Corrections, and Advanced Topics. There are 30 one (1) hour dedicated educational sessions and a minimum of five live 2-hour panel discussion whom I will be able to engage with to find solutions to the specific issues we face at home.

I will have the opportunity to learn global best practices, interact with leaders in training and education, make direct connections with other organizations, and gain valuable information that will enhance my capabilities in my current role.

Additionally, once the summit concludes, I will share the new ideas, strategies, and techniques I learned to help our agency increase overall capacity utilizing up-to-date training and evidence-based practices.

I have included the 2022 ILET Summit Overview for your review, which allows you a snapshot of the quality of speakers and organizations supporting this event.

I am sure you will agree that my attendance at the 2022 ILET Summit is a valuable use of my time and will benefit our agency and our community.

Thank you for your consideration.
